1. **Apologies for absence:** Ian Milner (On holiday sorry guys)
2. **The Chairman John** welcomed everyone to the meeting which was well attended.
3. **Actions agreed at the AGM:**
Membership and Green fees to remain the same. Away game fees to be advised later by Goole and District Club Committee. Fun days well attended. Club finances are in good shape.
4. **Bowls Club Burglary :** The club was broken into through the roof and door in February with damage to the pavilion. The mower, scarifier and other tools were stolen with the ceiling kicked through in clubhouse. Temporary repairs were done and Paul has made a claim made on the insurance that has been approved. A new steel door has been installed and most of the equipment replaced (well done Paul). A more secure steel roof has been ordered and should be installed during April. Dave Tuplin has headed up the installation and repairs – cheers Dave and hopefully Doug if he's any ceiling paint left (not battleship grey please Doug). Suggestions for a burglar alarm to be investigated and priced.
5. **Thanks** to Steve Parker and Sons who have generously offered to donate for a replacement scarifier – Cheers guys a very nice gesture. Advertising space is available See Ian or Paul !!
