

Pollington Neighbourhood Watch Group meeting planned for 18th January 2022.

'Prior to the Pandemic, attempts were made to revitalise the Neighbourhood Watch Group. The meeting held just before lockdown attracted a good group of enthusiastic residents who recognised that this group was valuable to our Village Community and were keen to see that it continued. The meeting was led by Peter Warren, who is the Treasurer for the group. A further meeting was arranged in order to elect officials to run the group. Unfortunately, this had to be cancelled due to COVID.

Now that the rules for COVID have been relaxed and things are a little more like normality, it was thought that further efforts should be made to re-establish this group. As a result a Meeting has been arranged for Tuesday 18th January 2022, at 7pm in the Village Hall. We need some enthusiastic younger members of our Village to come forward and be prepared to take on the responsibility of this group. Villages that do have a Neighbourhood Watch Group generally attract cheaper household insurance due to the Crime Prevention that such a group may promote. The Treasurer holds a substantial amount of money which could to be used to benefit residents and in an attempt to keep the Village free from serious crime.

For anyone who feels they could make a contribution of their time to this group, then please come forward and attend the Meeting in January. Once up and running, the group would simply require quarterly meetings in order to keep up to date with incidents and local crime. For a small amount of time 'YOU COULD MAKE A CONSIDERABLE DIFFERENCE' to our community. How satisfying would that be? In the meantime, if you are able to help in any way then please contact Peter Warren by email on rabbitsever67@gmail.com'
